

## Crittenden Estate Cri de Coeur 2019 Pinot Noir The 2022 Halliday Wine Companion

The 40% whole bunches in the fermentation have added an extra layer of brightness and flavour plus a lovely sheen to the textural tannins. There's often a lot of power to this wine, yet it seems to have been harnessed, with the acidity on show. Still fragrant, compelling and juicy but more time needed for it to settle. It should.
