

Crittenden Estate Cri de Coeur Savagnin 2015
Huon Hooke's The Real Review
96/100

Deep golden colour, showing age development. The bouquet is very nutty from flor yeast, the nuttiness seemingly incorporating some barrel nuances as well as the flor yeast. Some vanilla, chocolate and buttered-toast notes. It's full-bodied, very rich and lovely, with wonderful acidity. An amazingly generous and complex wine, which somehow also preserves freshness and vitality throughout the palate. A very impressive tilt at Jura's vin jaune style. (Feb 2020)
