

Crittenden Estate Cri de Coeur Pinot Noir 2017
Huon Hooke's The Real Review
94/100

Medium to deep red colour with a tinge of purple, the bouquet fusty and foresty with notes of dried flowers and dried herbs. Some bunched hints. A solid wine, with medium to full-body accompanied by ample tannins, which add the right degree of firmness and contribute to a long aftertaste. Fruit-sweet core. It's well-structured, weighty and savoury in a Burgundian style. 15 FEB 202.
