

**Crittenden Estate 2019 Cri de Coeur Chardonnay**  
**The Wine Front**  
**95/100**

Wow this is something. It's so intense it feels piercing. This needs at least another 18 months in bottle. Lemon, nectarine, grapefruit and white peach with cashew, hazelnut and honeydew melon. It hits and runs and then kicks again through the finish. Length here is beyond outstanding. If it can soften a little it will be stupendous. Jan 02 2021.
