

Crittenden Estate The Zumma Savagnin 2016

**"The Crittenden Estate wines are a
treasure trove right now.**

This was wild yeast fermented, on skins. Bottled unfined. Mornington Peninsula savagnin.

Class-A. Powerful white wine of texture, flavour and interest. Makes you want to slow down and take it all in. Candied aspects, smoky characters, florals and stone fruits. A wealth of spice notes. Tight like a tiger. Really good.
