

## Crittenden Estate NV Macvin #2

### The Real Review

93/100

Golden in colour, some bronzing. Really intriguing aromatics of aldehyde (from the flor), baked quince, toffee, wet straw and a nutty rancio edge. The flavours are really complex, there's nuttiness, citrus and a cool and fresh line of acidity that gives the wine real lift and a tangy edginess.

Quite delicious. (Blend number 2, bottled May 2020)
