

Crittenden Estate 2016 Cri de Coeur Savagnin
The Wine Front
95/100

Fabulous wine. Rich, full, warm, startling in its aromatics, flavours and length. Honey, sherry, brine, nuts and plenty more. Those flor characters are just beguiling. The dry stretched flattening wave of the finish: magical. The nose.

It makes you want to dive into it head first. You have to be measured at 15.8% alc but this is the kind of wine you just want to sit beside all night, your arm casually posed to prevent anyone from taking it away..
